ATACAMA SPORT

Inspired by the Crewsaver Atacama Pro drysuit, the Atacama Sport is designed using a 3 layer fabric and includes an elasticated waist, adjustable braces and articulated arms and legs creating a custom-fit to provide the ultimate in freedom of movement.

The Aquaseal flexible zip located at the front of the drysuit is positioned for maximum comfort, and allows the wearer to don the drysuit without assistance. Additionally, reinforced seat and knees provides extra protection to the areas of high wear to enhance longevity.

KEY FEATURES

- 3 layer breathable fabric
- YKK Aquaseal flexible zip construction
- Articulated arms and legs for increased freedom of movement
- Reinforced seat and knees
- Leg pocket with D-ring attachment
- Glideskin neoprene wrist and neck seals
- Elasticated waist
- Removable braces
