CREWSAVER ISO OCEAN LIFERAFT

Using our skills and expertise in the design and manufacture of both liferafts and lifejackets we have created the most advanced specification ISO Ocean Liferaft yet. The Crewsaver Liferaft improves both safety and performance for you and your crew. It is approved to ISO 9650-1 standards and includes an extended three year service period. Manufactured using highly durable, long lasting Polyurethane (PU) coating helping to ensure the raft is abrasion resistant, highly reliant and chemically inert.
