

# CREWFIT 150 JUNIOR

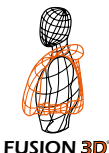

## INFLATABLE LIFEJACKET

One of the only Fusion 3D-designed lifejackets for children, our Crewfit 150N Junior lifejackets help to ensure your little ones remain as comfortable and safe as possible when out on the water. All components inside our Crewfit 150N Junior have been carefully selected and positioned to provide a compact solution to ensure an optimum fit for your ever-growing junior.

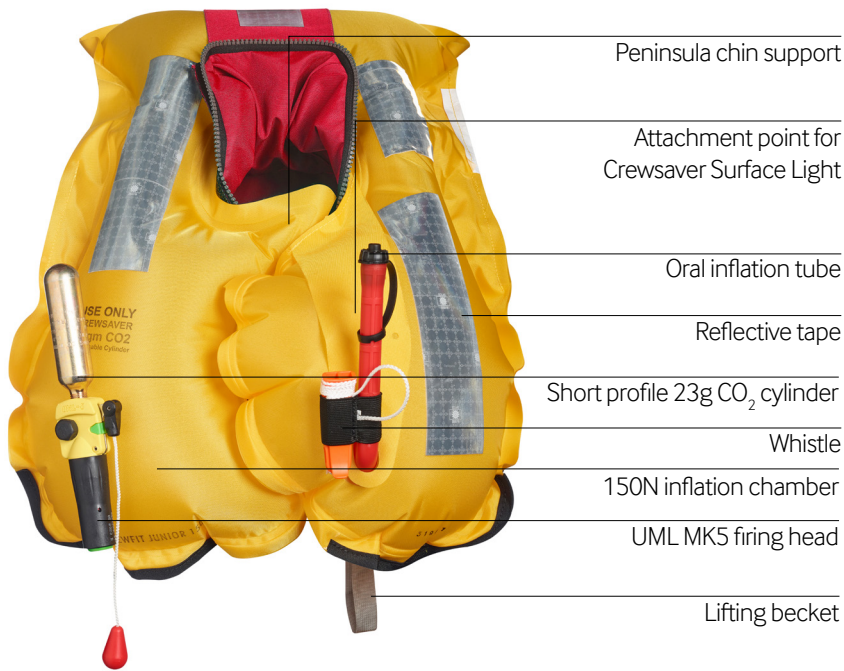

Safety as always is paramount on the Crewfit 150N Junior, a unique bladder design with a peninsular chin support and light attachment point offers the most advanced performance solutions available today.

### BENEFITS

- Fusion 3D shape providing your junior with the ultimate in comfort
- Durable robust outer cover
- Short profile 23g CO2 cylinder
- Centre buckle adjuster to accommodate a range of sizes
- Crotch strap to stop the lifejacket riding up
- Soft loop D-ring for attaching safety harness
- Attachment point for optional Crewsaver Surface Light for added visibility in the water
