WHY CHOOSE CREWSAVER

WATERSPORTS RANGE

# COMFORT. STYLE. PERFORMANCE.

The Crewsaver watersports range, which has a fresh new look and features advanced fabrics, is packed full of adventure-aiding essentials, including performance clothing, accessories and luggage. The new range is aimed at all watersports enthusiasts and joins Crewsaver's Atacama drysuits and Fusion 3D buoyancy aids to create the ultimate watersports collection!

## Expert Design

Our design team carefully chooses the best and most appropriate materials for each product, ensuring the ultimate in comfort and longevity for the individual environment. We then combine our in depth know-how with the latest technology to construct quality products which offer you the best possible performance.

# The Atacama Drysuit Range

With 3 layer breathable fabric, Crewsaver's Atacama Pro and Atacama Sport drysuits rival their namesake desert as the driest place on Earth. The Glideskin neoprene wrist and neck seals, plus latex socks, further help to keep the water at bay - meaning your boating doesn't have to end when the summer season does.
